

Town of Franklin

Revised Ordinance on Existing Town Roads

Only those roads, or portions thereof, shall be considered town roads as listed on Appendix A and Map Appendix B. All roads, and former roads, not listed in Appendix A or B are hereby discontinued.

Road mileage is determined by measurement from the center of the intersecting road to the end of the road, or the center of another intersecting road, by the State Department of Transportation. EXAMPLES: Audette Road is measured from the centerline of Baltic Road (Route 610) to the end of Audette Road. Ayer Road is measured from the centerline of Pond Road (Route 207) to the other end centerline of Pond Road (Route 207.) The end of Meeting House Hill Road and the beginning of Champion Road is the intersection of Rindy Road.

Further, a Town meeting vote shall be required to reopen, improve, or accept: a Town road, or any other new or old road, as per the Ordinance Establishing the Procedures, Standards, Specifications and Regulations for the Acceptance of Roads.

If any section, paragraph, subdivision, clause, or provision of this Ordinance shall be adjudged invalid, such adjudication shall apply only to the section, paragraph, subdivision, clause or provision so adjudged, and the remainder of this Ordinance shall be deemed valid and effective.

This Ordinance shall become effective upon passage and after notice as provided by law.

Adopted by vote of Town Meeting legally warned and held on:
