- a. **Approval of 2017/2018 Budget:** First Selectman Richard Matters gave an update on the 2017/2018 Budget. I had to do some changes and revise the budget from when I did back in May. First Selectman Richard Matters gave all the updated numbers. We are going to have to make some possible cuts somewhere in the budget base on the mill rate which we are still waiting to here what that number will be. We are basing our cuts on half a mill if it passes. First Selectman Richard Matters went over each line item line by line of the 2017/2018 budget to see where they could make cuts. It's better to take the big amounts first versus the little amounts. CIP is the only area that have the big items. What we approve tonight will go to the Towns meeting.

MOTION # 1: Mr. Matters made a motion to take the money out of the CIP line item of Murphy Road. Mr. Beisiegel seconded the motion. Motion carried unanimously.
